

Employee Health Plan Members: Maximize Out-of-Pocket Savings

Virtual Visits and Express Care Online

- PCP virtual visits covered 100% with a \$0 copay
- Virtual visits for specialty care covered 100% after a \$35 copay
- Convenient for college students living outside of the Cleveland area
- If a virtual visit is not right for you, visit CC Express Care with a \$0 copay or based on your needs, Urgent Care with a \$50 copay or an Emergency Room with a \$250 copay

Office Visits

- \$0 copay when using primary care providers (Internal Medicine, Family Practice, OB/GYN, Pediatrics)
- \$0 copay for members who use the Main Campus Walk-in Clinic

Cleveland Clinic Pharmacies

- Select Cleveland Clinic pharmacies or Cleveland Clinic Home Delivery for the lowest out-of-pocket expense
- Ask for generic medication to waive the \$200 deductible
- Ensure your Cleveland Clinic Pharmacy is obtaining a manufacturer copay card for specialty medication if one is available

Healthy Choice Premium Discount Program*

- When you participate and meet your goals, depending on your location and date of hire you may become eligible to save on your health plan premiums. The best way to see if you are eligible for discounts is to call our Wellness Specialists at the Employee Health Plan at 216.986.1050, option 3.

Coordinated Care*

- EHP offers Coordinated Care programs for chronic condition management at no extra charge (some exclusions may apply)
- You may be eligible for reimbursement of copays, durable medical equipment coinsurance, and medication coinsurance if you are actively participating and working toward your program goals

AccordantCare**

- EHP offering for members and dependents with rare or complex conditions
- Support from a Care Team specializing in your conditions
- \$300 yearly incentive offered for participating and following prescribed care plan

**Retirees and Cobra members are not eligible to participate in the Healthy Choice or Coordinated Care programs.*

***Retirees are not eligible to participate in the AccordantCare program*
